

I am a third year undergraduate student in the Electronics and Telecommunication department at the Pune Institute of Computer Technology. My research interest lies in Embedded Systems, Artificial Intelligence and Robotics.

Year	Degree	Institution (Board)	CGPA/
2014-present	Bachelor of Engineering	Pune Institute of Computer Technology (pursuing)	72.77
2014	XII	Fergusson College, Pune (H.S.C.)	92
2012	X	Kendriya Vidyalaya, Aurangabad (C.B.S.E.)	10.0 CGPA

Micro Controller Applications and Embedded Processors, Digital Signal Processing, Signals and Systems, Data Structures and Algorithms, Control Systems, Object Oriented Programming, System Programming and operating System, Information Theory and Coding Techniques, Computer Organisation

- PCB Designing July'16 – Sept'16
- Robotics Workshop and training program- Campus Component Pvt. Ltd Sept'14
